Sir,

Sub Drainage Scheme for Closepet Town

Adverting to Law Secretary's letter No L 3627/M1 97-38-72 dated 7-11-41 on the above subject, I have the honour to state that it is reported by the President (copy enclosed), Closepet Municipality that nearly 73 % of the drainage work taken up at the first instance is nearing completion and that the Municipality want to undertake the further execution of the drainage work at a cost of Rs 10,000/- during the year 1946-7, so that the entire execution of the drainage scheme as originally proposed may be completed within five years

Accordingly the Municipal council have provided a sum of Rs 5,000/- in their current year's budget being their quota towards the cost of the execution of the 2nd stage of the drainage works during the year The Municipal council request for a Covernment grant of Rs 5,000 during the current year as they have provided an equal sum for this purpose in the curient year's budget

I request that orders of Government may kindly be obtained for the sanction of Rs 5,000/- being the Government share for the execution of drainage works at a cost of Rs 10,000/- during the year 46-7 and for the payment of Rs 5000/- by the Municipality towards their share of contribution for the work A copy of the resolution of the Municipal council is enclosed for reference

SUB Comprehensive Drainage Scheme for Closspet Town

I have the honour to enclose herewith a resolution of the Municipal council dated 16-4-46 on the above subject and to state as follows -

A comprehensive drainage scheme for Closepet Town was prepared at a cost of Rs 41,000/- and the Secretary to Govt Law Department, in his letter No L 3627/M1 97-38-72 dated 7-11-41, communicated the general approval of the estimate but directed that only the most urgent works at a cost of Rs 10000 be taken up for execution in the first instance Accordingly the proposals for carrying out the most urgent items of the drainage works namely the construction of the main drain and theout fall estimated to cost 10000/- were sent up, and the same was approved by Govt in their Memo No 9019-22/M1 97-38-74, dated 26th Mar 42 The Govt also directed in the same order that the cost of the same may be met by the Govt and the Municipal Council in equal proportions This estimate was latter revised to Rs 15,657/- and the same was sanctioned by Govt in their order No L 8232-5/M1 73-4-4, dated 29th Feb 45 and the entire extra cost of Rs 5657/- was met ~~not~~ by the Govt grant The Sanitary Engineering Department have done nearly 75 % of this work the Municipal Council have now resolved that the other portions of the comprehensive drainage scheme be also taken up and completed within a period of 5 years commencing from the current year The sanitation of the Town has very much suffered because of the lack of an efficient system of drainage and the Council feels that it is one of their most important duties to provide an efficient system of drainage for the Town immediately The finances of the Municipal Council have greatly improved during the last year when by the sale of available sites and by an intensive collection of its overdue arrears

P T O

overdue arrears, they have been able to build up a closing balance of Rs 9,746-10-10 in addition to an amount of Rs 40,000/- kept in the Savings Bank and Rs 5,000 invested in National Savings Certificates, as on 15-8-46 The municipal council is willing to meet half the total cost and requests that the other half may be met by Govt and the scheme pushed through within a period of 5 years They have also made adequate provision for the same in the current year's budget The municipal council have provided a sum of Rs 5,000/- for this purpose and requests that the Govt may be pleased to sanction an equal sum out of the Town Improvement grants I therefore request that a very favourable recommendation may kindly be made to the Govt to sanction the balance of the comprehensive drainage scheme and to push it through within a period of 5 years commencing from the current year and to sanction a Govt grant of Rs 5,000/- during the current year as the Municipal council have provided an equal sum for this purpose in the current year's budget The detailed plans of the drainage scheme that have already been approved have already been sent to the Sanitary Engineer, Bangalore with this office letter No C 166/44-5 dated 10-4-45

Sir,

Sub Drainage scheme for Closepet - II stage

With reference to your letter No L 5000 dated 17-10-46 and in continuation of my letter No D O M6 3130/46-47 dated 30-3-48 on the above subject, I have the honour to state that the Sanitary Engineer, Bureau of Sanitary Engineering though requested a number of times through D O reminders has not furnished the plans and estimates as called for in your letter referred above. He has not even acknowledged the letters addressed to him

The Municipal Council has made budget provision of Rs 5000/- for 1947-48 under D Public Works Dep (1) Original works as per letter No T 443/47-48 dated 12-4-48 received from the President In his letter No T 260/47-48 dated 16-2-48 the President Closepet Municipality reports that the sanitation of the town is very bad for want of drainage in most parts of the town He also reports that the tax payers are insisting upon this item of work taken up immediately for execution Further they are also anxious to see that the second stage of work is taken up and completed by the close of this official year and is ready to deposit its share Rs 5000/- at any moment

The Municipal council, Closepet is disappointed that though they are ready and willing to pay their quota no work has been executed during 1946-47 and also in the current year During 1946-47 the council had provided Rs 5000/- in their budget for drainage work as also in the current year 1947-48 If the work is not taken up immediately by the Sanitary Engineer, the Municdpality requests that it may be permitted to have the work executed by Municipal agency itself and the Government grant equal to the sum provided by the municipality in its budget be made over to it

I therefore request that Government may be pleased to sanction Town Improvement grant of Rs 5000/- during this year 1947-48 which together with municipal quota will be kept in the treasury deposit In this connection, I have to state that during 1947-48 no town improvement grants have been sanctioned to this district

In the meanwhile I have again requested the Sanitary Engineer, to furnish the plans and estimates called for and I will be furnishing the same on its receipt in my office

I have the honour to be,

Subject Drainage Scheme for Closepet

With reference to your memo No 280 dated 9th July '48 fowarding a copy of letter No L 177757/E dated 17th June 1948 from the Secretary to Government, Revenue Department, Bangalore, to the Chief Engineer for Irrigation regarding above, I have the honour to report as follows -

A comprehensive drainage scheme amounting to Rs 41,000/- for closepet Town was sanctioned in G O No 3627/M1-97-38-72 dated 7-11-1941 An estimate amounting to Rs 15,567/- for the 1st stage drainage work at Closepet was also sanctioned in G O No L 8232-5/M172-44-4 dated 20th February 1945 The 1st ~~grand~~ stage drainage work is completed

On receipt of letter from the Deputy Commissioner, Bangalore District, Bangalore, requesting for estimates and plans for the drainage work of Closepet Town, he was requested as the letter was not clear to intimate as to whether he required the plans and estimates relating to the comprehensive drainage scheme The President, to whom a copy of the above letter was forwarded, replied that the comprehensive drainage scheme amounting to Rs 41,000/- sanctioned in G O No 3627/m1 97-38-72 dated 7-11-1941 may be sent to the Deputy Commissioner, Bangalore, as it was required by Government for reference

Accordingly, the comprehensive scheme was forwarded to the Deputy Commissioner, Bangalore District, Bangalore, in this office No 1515 dated 18th May 1948 The comprehensive scheme was returned to this office stating that he desired plans for the 2nd stage work for Closepet Town On receipt, the preparation of plans and estimates for 2nd stage has been taken up now

In this connection it is submitted that in all the letters ~~received~~ received from the Deputy Commissioner, no mention was made about the preparation of the 2nd stage drainage works

I have, however, arranged for the preparation of the estimate with the existing hands alone and the estimate will be sent to the President for needful very early

Sir,

Subject: Drainage scheme for Closepet 2nd stage.

With reference to the correspondence ending with your letter No. L.2818 dated 16-9-48 on the above subject, I enclose herein the plans and estimate received from the Sanitary Engineer, for the execution of the Second Stage of the Comprehensive drainage scheme in Closepet Town. The estimate is for Rs 10,400/- The Municipal Council, Closepet, have made a provision of Rs.5000/- in their Budget of 1948-49 and the same is sanctioned by Government in their order No. L.1742-3 M.L.29-48-4 dated 18-848. The Municipal Council are anxious to get through this work and that are pressing for the same.

As already stated in your letter No. L.2818 dated 16-9-48 I request that Government may kindly be pleased to sanction Rs.5,200/- as a town Improvement grant for the second stage of the Drainage scheme at Closepet. I am also instructing the Municipality to credit Rs.5,200/- being their quota for this work.

Yours faithfully,

Deputy Commissioner,
Bangalore District,
